ANNUAL REPORT

THE LEARNING PROJECT

ELEMENTARY SCHOOL

2025 - 2026

LOUIS TOMPROS, P ‘18, ‘21, ‘24
Chair, Board of Trustees

November 1, 2026

Dear Friends,

Thank you for your support of another outstanding year at The Learning Project!

Our financial priorities have not changed: we aim to keep tuition manageable, maintain a strong financial assistance program, and offer highly competitive compensation packages for our extraordinary faculty and staff. The Annual Fund has consistently been the school's most critical fundraising tool to make that happen, and this year was no different.

Our Annual Fund goal this year was $450,000, an ambitious number! I'm thrilled to report that we exceeded this goal and raised a record-setting $496,917. This was a staggering achievement in a year in which we were also in the midst of a crucial capital campaign. While this was very much a community-wide accomplishment, much of the credit goes to our exceptional advancement team, led by our incomparable Assistant Head and Crawford Director of Community Relations, Sasha Zuflacht, and our unstoppable Advancement, Admissions, and Publications Coordinator, Jamie Hayhurst.

And speaking of that campaign: this year also marked both the kickoff and the completion of *Building for Tomorrow*, the LP's accelerated capital campaign to transform our new building, 263 Clarendon Street, into a vibrant hub for teaching, learning, and creativity, while also funding vital updates to the McCord Building at 107 Marlborough Street. With a campaign goal of $1,973,000 (a nod to our founding in 1973), the capital raised through *Building for Tomorrow* will establish a lasting foundation for the school’s growth and innovation for generations to come. We are deeply grateful to the many community members who stepped forward to support the campaign, and pleased to report that we exceeded our goal, ultimately raising more than $2 million! Thank you to everyone who contributed, and thanks in particular to our Campaign Chairs, Stephen Kelleher and Candice Corvetti, Matt Farmer and Carolyn Marcus, and Akhill Chopra and Camille DeLaite.

On behalf of the trustees, the faculty, the staff, the students, their families, and the entire community: THANK YOU for all that you have done and will continue to do in support of The Learning Project.

Very truly yours,

Louis Tompros
Chair of the Board of Trustees

2025-2026 REPORT OF GIVING TO ENDOWMENT

We are grateful to the following individuals whose gifts to the school's endowment funds provide opportunities for expanded student access, support for financial assistance, and resources for our academic program.

The 2025-2026 donors to each endowment are noted in italics.

CAROLINE SCHMIDT ARTS AND INSPIRATION FUND

Caroline Schmidt was The Learning Project's beloved Art Teacher from 2013 – 2021. The Caroline Schmidt Arts and Inspiration Fund was created to honor Caroline's artistic legacy and to benefit students, parents, faculty and staff for years to come. A gift to this fund supports our current arts program and funds new arts education opportunities. In the spirit of Caroline's artistic creativity and passion, this fund also allows us to evolve into new and exciting areas of the arts.

Nick Schmidt
Jess Schnitzer

COMMUNITY SCHOLARSHIP PROGRAM

In the 1990's, an anonymous donor provided funds to support one student for the entirety of a Learning Project education—and the idea of the current Community Scholarship Fund was born. Over the years, several students, on a need-basis, have received a scholarship for the duration of their LP careers. The Community Scholarship Fund allows the school to remain accessible to a broad range of families.

2025-2026 REPORT OF GIVING TO ENDOWMENT

GARY HATTON MENTAL HEALTH & WELLNESS FUND

The Gary Hatton Mental Health and Wellness Fund is intended primarily to offer financial support to Learning Project students and faculty for mental health counseling services.

This fund was established in memory of the late Gary Hatton, a "Long Time Friend" of The Learning Project. Gary had a deep appreciation for the school's mission, its community, and the education that The LP provided his children. Gary's four children attended The LP over a 17-year period from 1991 to 2008, and Gary served on the school's Board of Trustees from 2001 to 2009. Gary was committed to supporting The LP community and continues to do so through this fund.

LONG TIME FRIENDS

Long Time Friends provides an opportunity for sustained giving by including The Learning Project in your will or estate plans. The program borrows its title from the song "Long Time Friends" that has been sung for many years at graduation. A robust and constantly expanding bequest program holds enormous promise for the school's long-term future. Bequests, of whatever size (and this amount can be unspecified to us), are welcome. We invite prospective donors to contact the school for further information, or to simply inform us that your name should be added to the list.

2025-2026 REPORT OF GIVING TO ENDOWMENT

MCCORD MISSION FUND

(Please note that the donors listed below are those who made new gifts to the endowment. It does not include donors who fulfilled pledges that were made in the previous fiscal year.)

The school's Board of Trustees has identified the need to develop a larger endowment as a strategic goal of enormous importance to the future quality and strength of The Learning Project. The "McCord Mission Fund," named after the school's founders, provides annual investment returns that contribute significantly to the school's ability to provide a high-quality program, to maintain accessibility through financial assistance, and to provide strong levels of compensation for the school's teachers.

Gifts of whatever magnitude to assist us in growing this critical resource are welcome, and benefit the school for years to come.

The Crawford Foundation: Bill, Francine, William, '91, and Faith, '95, Crawford
Elaine Townsend

PRINDLE OPPORTUNITY SCHOLARSHIP FUND

The Prindle Opportunity Scholarship Fund was established in 1997 and was named after alumni parents, Sue and Paul Prindle, to recognize their commitment to education and to The Learning Project. The Fund endows one scholarship, in perpetuity, for a student from an under-served population. This fund is particularly appropriate for donors who would like to restrict their endowment giving to scholarship purposes.

BUILDING FOR TOMORROW
263
A Campaign to Benefit The Learning Project

Justin Hajj, P '23
Michael W. McCord Head of School

Back in 2015, our Board of Trustees and Head of School, Michael McCord, determined that, in order for the school to truly thrive into the future, it would be prudent for The Learning Project to acquire additional real estate.

For one, having our critical entry point of kindergarten subject to a lease is a vulnerability, and it was determined that it should be housed in a location owned by the school for long term stability. In addition, the school is in desperate need of administrative office space, as well as space for our subject classes like art and science, as they are in shared space currently, which often conflict and limits what we can offer in a school day.

As a result, seeking additional real estate became a cornerstone of what would be the school's long range, strategic plan. It took many years to find the 'right' building, but that is what we found in 263 Clarendon Street – a building appropriately sized for our use, within our price range, and with such rare proximity to our home at the McCord Building and the Clarendon Street Playground that it was absolutely ideal. Not only will it help us to solve the school's current needs, but it will provide us with flexibility into the future.

Last year, we launched our *Building for Tomorrow* campaign – a one-year blitz campaign to raise $1.973M, in order to providing funding for the necessary renovations and reduce the need to pull significant funds from the school's endowment. And while we knew that raising this sum of money in such short order would be a challenge, we also knew that The LP community has always stepped up to make the miraculous possible, which they did once again. Not only did we reach our goal, but we surpassed it, raising $2,026,849 in gifts and pledges toward this critical project.

On behalf of our faculty, staff, and students, I would like to thank the following supporters for going above and beyond their annual donations to the school to bring this dream to life. And if you have not yet given, but would still like to do so, please visit the school's website to donate. Construction costs have risen since we launched this renovation, and each dollar raised will continue to offset funds drawn from the school's endowment.

Renovations are officially underway, and I can't wait to welcome you to 263 Clarendon Street upon completion. It will be a glorious day for our entire community, and a true gift to our current students, and all those who come after them.

With gratitude,

Justin Hajj
