

ANNUAL REPORT

THE

LEARNING
PROJECT

ELEMENTARY SCHOOL

2024 - 2025

LOUIS TOMPROS, P '18, '21, '24
Chair, Board of Trustees

October 1, 2025

Dear Friends,

This has been a big year in the life of our little school! As longtime friends of The Learning Project know, the school has long sought a permanent home for our Kindergarten classroom, along with more “elbow room” for our dynamic and thriving art, music, and science programs. This past summer, the City of Boston approved our request to be allowed to use our recently acquired building at 263 Clarendon Street as the second LP campus. Which means that for the first time in a long time, our school is—physically—growing!

Of course, growth is nothing new to The LP. Nurturing our children’s growth is at the core of what The LP does. As our Mission Statement puts it: “We endeavor to build on each child’s inherent curiosity and profound desire to succeed, and to be a place where the cognitive, aesthetic, social, emotional, physical, and moral aspects of life are nurtured.” Every day, when children walk in through the doors of The Learning Project, they are full of extraordinary potential. And every day, when they walk out, our hope is that they have grown academically, socially, emotionally, empathetically, and morally, through their interactions with their fellow students and with our extraordinary faculty and staff.

Nurturing this kind of growth takes time, patience, care, and, of course, resources. The Learning Project has been exceptionally fortunate to have a community of friends willing to provide those resources year after year. This past year, we met our increased Annual Fund goal, raising just over \$443,000. Taking all of our fundraising efforts combined, the school raised \$704,000 in Fiscal Year 2025—a truly astounding amount, reflective of an incredibly generous group of supporters. (That is you! Thank you!!) Your help allows us to meet our longstanding commitment to compensate our unparalleled faculty and staff fairly, to meet the financial needs of our families through robust financial assistance, and to ensure that all LP children have what they need to grow.

On behalf of the trustees, the faculty, the staff, the students, their families, and the entire community—thank you for all that you have done and will continue to do in support of The Learning Project.

Very truly yours,

Louis Tompros
Chair of the Board of Trustees

2024-2025 REPORT OF GIVING TO ENDOWMENT

We are grateful to the following individuals whose gifts to the school's endowment funds provide opportunities for expanded student access, support for financial assistance, and resources for our academic program.

The 2024-2025 donors to each endowment are noted in italics.

CAROLINE SCHMIDT ARTS AND INSPIRATION FUND

Caroline Schmidt was The Learning Project's beloved Art Teacher from 2013 – 2021. The Caroline Schmidt Arts and Inspiration Fund was created to honor Caroline's artistic legacy and to benefit students, parents, faculty and staff for years to come. A gift to this fund supports our current arts program and funds new arts education opportunities. In the spirit of Caroline's artistic creativity and passion, this fund also allows us to evolve into new and exciting areas of the arts.

COMMUNITY SCHOLARSHIP PROGRAM

In the 1990's, an anonymous donor provided funds to support one student for the entirety of a Learning Project education—and the idea of the current Community Scholarship Fund was born. Over the years, several students, on a need-basis, have received a scholarship for the duration of their LP careers. The Community Scholarship Fund allows the school to remain accessible to a broad range of families.

2024-2025 REPORT OF GIVING TO ENDOWMENT

GARY HATTON MENTAL HEALTH & WELLNESS FUND

The Gary Hatton Mental Health and Wellness Fund is intended primarily to offer financial support to Learning Project students and faculty for mental health counseling services.

This fund was established in memory of the late Gary Hatton, a “Long Time Friend” of The Learning Project. Gary had a deep appreciation for the school’s mission, its community, and the education that The LP provided his children. Gary’s four children attended The LP over a 17-year period from 1991 to 2008, and Gary served on the school’s Board of Trustees from 2001 to 2009. Gary was committed to supporting The LP community and continues to do so through this fund.

LONG TIME FRIENDS

Long Time Friends provides an opportunity for sustained giving by including The Learning Project in your will or estate plans. The program borrows its title from the song “Long Time Friends” that has been sung for many years at graduation. A robust and constantly expanding bequest program holds enormous promise for the school’s long-term future. Bequests, of whatever size (and this amount can be unspecified to us), are welcome. We invite prospective donors to contact the school for further information, or to simply inform us that your name should be added to the list.

2024-2025 REPORT OF GIVING TO ENDOWMENT

MCCORD MISSION FUND

(Please note that the donors listed below are those who made new gifts to the endowment. It does not include donors who fulfilled pledges that were made in the previous fiscal year.)

The school's Board of Trustees has identified the need to develop a larger endowment as a strategic goal of enormous importance to the future quality and strength of The Learning Project. The "McCord Mission Fund," named after the school's founders, provides annual investment returns that contribute significantly to the school's ability to provide a high-quality program, to maintain accessibility through financial assistance, and to provide strong levels of compensation for the school's teachers.

Gifts of whatever magnitude to assist us in growing this critical resource are welcome, and benefit the school for years to come.

The Crawford Foundation: Bill, Francine, William, '91, and Faith, '95, Crawford Diane Valle

PRINDLE OPPORTUNITY SCHOLARSHIP FUND

The Prindle Opportunity Scholarship Fund was established in 1997 and was named after alumni parents, Sue and Paul Prindle, to recognize their commitment to education and to The Learning Project. The Fund endows one scholarship, in perpetuity, for a student from an under-served population. This fund is particularly appropriate for donors who would like to restrict their endowment giving to scholarship purposes.
